 Date: _____

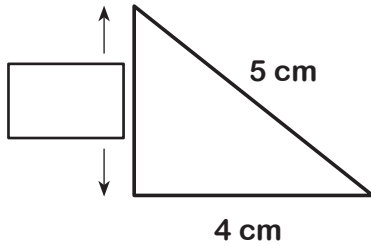

Finding the Missing Length from the Perimeter

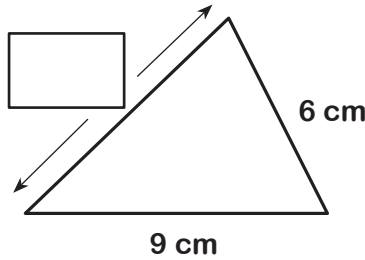

Section A Find the missing length of the triangles

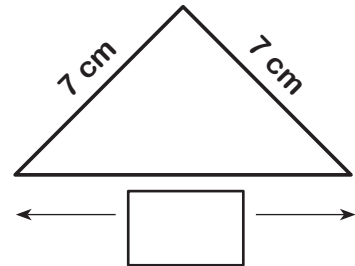

1) Perimeter = 12 cm

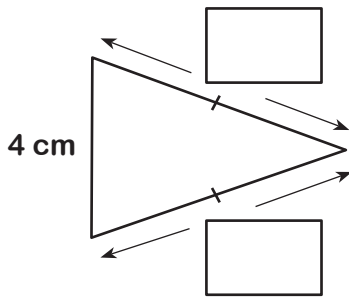

2) Perimeter = 23 cm

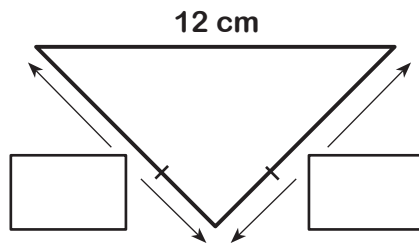

3) Perimeter = 24 cm

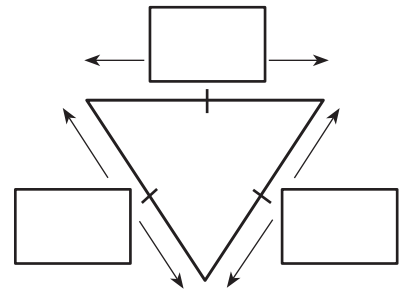

4) Perimeter = 22 cm

5) Perimeter = 32 cm

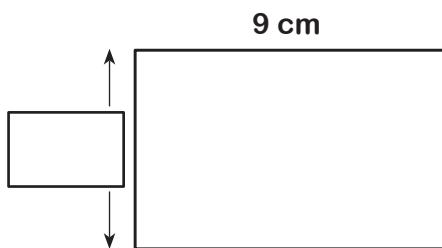

6) Perimeter = 18 cm

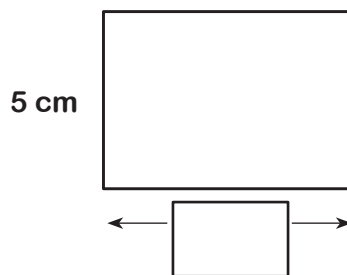

Section B Find the missing length or width of the rectangles.

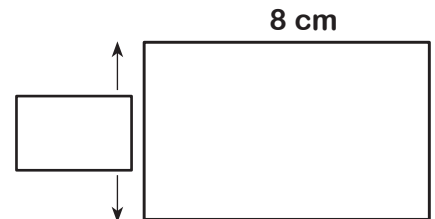

1) Perimeter = 30 cm

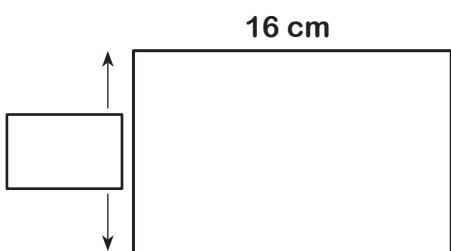

2) Perimeter = 24 cm

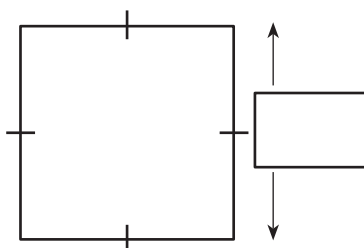

3) Perimeter = 26 cm

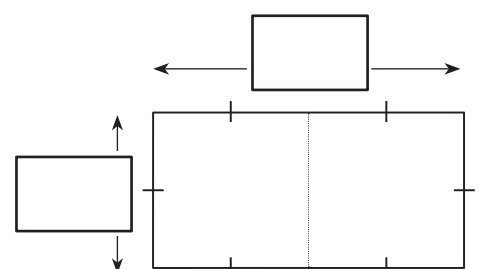

4) Perimeter = 56 cm

5) Perimeter = 24 cm

6) Perimeter = 36 cm

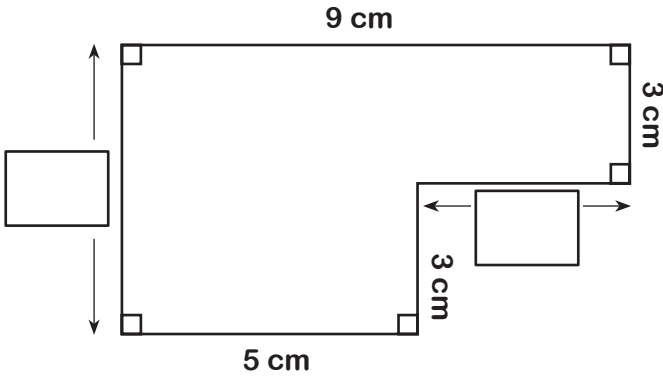

Finding the Missing Length from the Perimeter

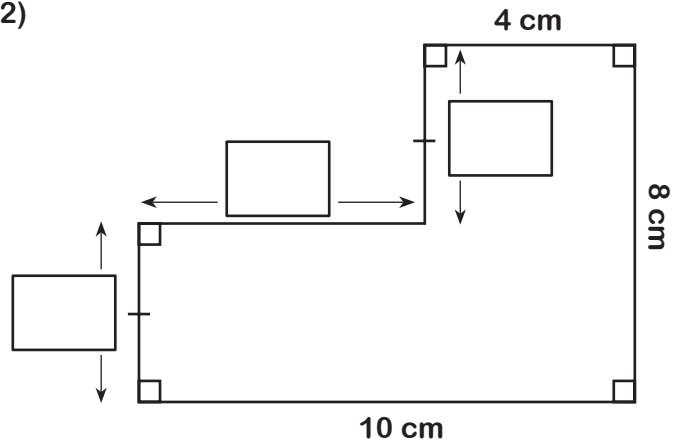

Section C Find the missing length of the shapes.

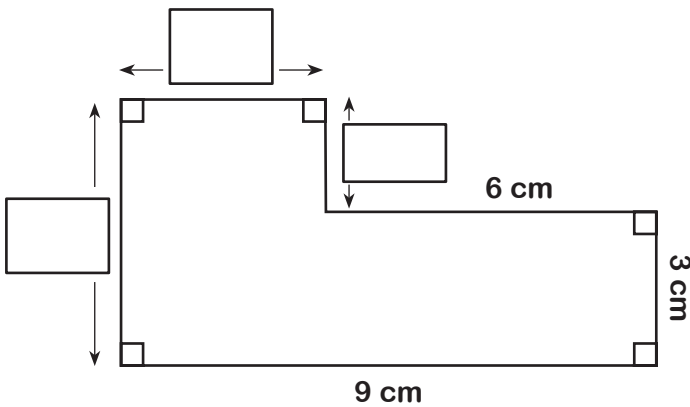

1)

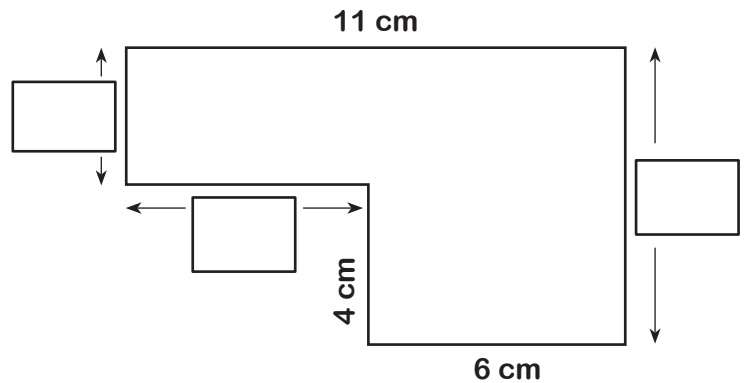

2)

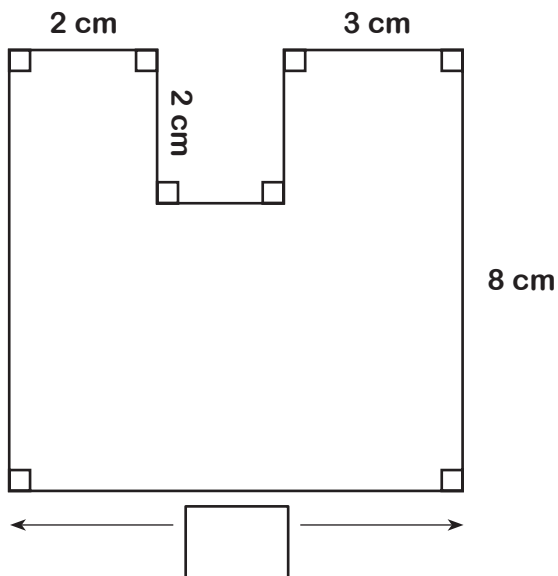

3) Perimeter = 28 cm

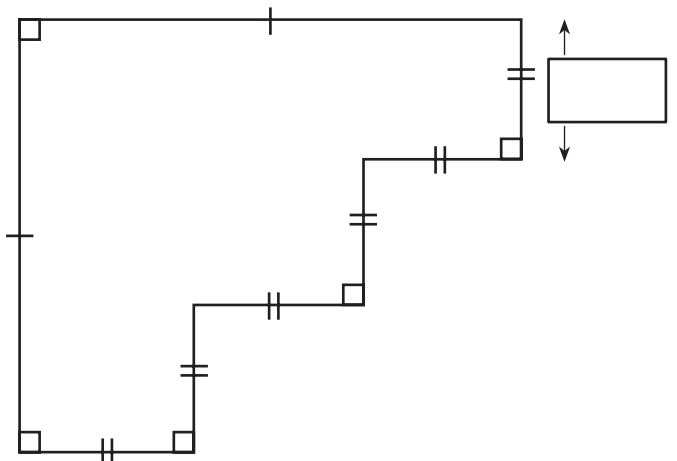

4) Perimeter = 36 cm

5) Perimeter = 34 cm

6) Perimeter = 48 cm
